Robert Parsons, c1530 - 1570

Very little is known of Parson's biography. It is known that in 1563 he was sworn a Gentleman of the Chapel Royal in London. He held the post for only 6 years until he met with an accidental death in the River Trent at Newark.

Ave Maria:

Hail Mary, full of grace, the Lord is with you: you are blessed among women, and blessed is the fruit of your womb. Amen.
